STRATEGIC RATIONALE

Djibouti serves as the primary port gateway to Ethiopia and a growing center for international trade, logistics, and free zones. A locally licensed retail bank offers a direct entry point into this under-banked but rapidly growing economy.

CORE CAPABILITIES

- Retail deposit and lending operations
- SME banking services
- Potential for cross-border trade finance
- Ability to expand into digital banking

TARGET BUYERS

- Strategic banking groups
- Regional investors
- Trade finance companies
- Institutional investors seeking African entry

TRANSACTION PROCESS

QUALIFIED BUYERS MUST PROVIDE:

- Letter of Interest (LOI)
- Proof of Funds (POF)

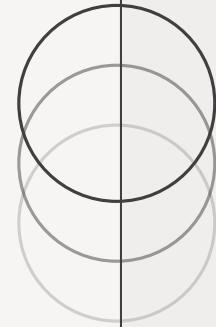

Data room access is granted upon preliminary review.

Compliance

All transactions subject to KYC/AML, regulatory approval, and counterparty verification.

Contact

Confidential discussions only with serious principals, banking groups, and authorized intermediaries.

THANKYOU
